

The Handy Person Adaptation Service provides the help and support you need to keep safe and secure in your home with free or low cost but high quality essential adaptations and small practical jobs.

How much will I have to pay?

Adaptation jobs

Adaptations are jobs such as fitting stair rails and grab rails which help you move around your home and stay steady on your feet. These are supplied and fitted in a single job and are **free of charge**.

Handy person jobs

'Handy person jobs' are small jobs such as fixing curtain rails, putting up shelves or fixing loose carpets or trip hazards. The cost of a handy person job is £15 which should be given to the trader. You will also need to supply all the materials for the job but if you have difficulty getting what's needed, you may be able to give the money to the trader so they can buy the materials for you.

These prices are subject to change, so please check when requesting a job to confirm the price.

How long does it take to get the work done?

Jobs inside the house are usually completed within 5 working days unless you have been discharged from hospital in which case the job will be completed within 2 working days.

How can I apply to get some work done?

To apply for the handy person or adaptation service call Nottinghamshire County Council on **0300 500 80 80** or email enquiries@nottsc.gov.uk

- Adaptations including materials are free to the service user. You can receive one or multiple pieces of equipment with each referral that is made.
- If you rent from a council or housing association they may provide an adaptation service.
- If you rent from a private landlord we need written permission from them before we begin any adaptations.
- The service can only be used once in any three month period unless you need extra adaptations.

What can I expect from the traders?

- High quality workmanship
